MINIMUM HEIGHTS

1. This AIC replaces AIC A07/23 titled Minimum Heights and dated 04 July 2023.
2. The Namibia Civil Aviation Authority is aware that there are some transgressions of Regulation 91.06.33 *Minimum Heights* predominantly in the coastal areas.
3. Pilots and operators are reminded of the importance of adherence to minimum heights, included but not limited to:
 - 3.1 1000ft AGL over a built-up area or open-air assembly.
 - 3.2 Elsewhere to those specified in the regulations, not lower than 500ft AGL.
4. The NCAA will be conducting regular surveillance and ad-hoc inspections in terms of compliance with minimum heights and warns pilots and operators that non-adherence can lead to hefty fines for the operator and pilot, and for repeat offences suspension or revocation of licenses.
5. Any observed non-adherence to this regulation should be reported to incidents@ncaa.na or via the online confidential reporting system on the NCAA website.
6. Any queries please contact:
 - 6.1 All Enquiries +264 83 235 2100, email info@ncaa.na;
 - 6.2 For filing of occurrences, email incidents@ncaa.na.
