**PERSONNEL LICENSING  
GENERAL  
LAPSED FLIGHT CREW MEMBERS LICENSES**

This AIC replaces AIC 30.8 dated 1996-04-15

1. It has come to the attention of the Authority that flight crew members tend to exercise the privileges of licences after they have lapsed. Special mention is hereby made of crew members who operate microlight aircraft and gyrocopters on or from private airstrips.
2. Such action is in violation of NAMCARS & NAMCATS which stipulate the requirements to maintain currency for every issued licence or rating. As such serious consideration will be given to prosecute any flight crew members found on the wrong side of the law.
3. Furthermore, it should be noted that, should a flight crew member be involved in an accident with an invalid licence, he/she will in all probability forfeit his/her insurance cover.

**INTENTIONALLY LEFT BLANK**
