1. Name of Owner (or name of owning company).....

2. Address of Owner in full.....  
.....  
.....

3. Name and Address of Applicant (if other than the owner of the aircraft):  
.....  
.....

Telephone: .....

**4. AIRCRAFT IDENTIFICATION**

a) Previous Aircraft Nationality and Registration Marks:.....

b) Current Aircraft Nationality and Registration Mark:.....

c) Allocated Aircraft Nationality and Registration Mark:.....

d) New or Used:.....

e) Country of Construction:.....

f) Year of Construction:.....

g) Manufacturer:.....

h) Seating Accomodation including crew:.....

i) Maximum total weight authorized Kg/lb:.....

j) Aircraft last weight (used aircraft):.....

- k) Next due for weighing:.....
- l) Aircraft Make & Type:.....
- m) Serial No:.....
- n) Aircraft Time Since New:..... Overhaul..... Last Inspection.....
- o) Certificate of Airworthiness Expiry date:.....

**5. C of A category required:**

- Standards category
- Special category
- Restricted category

**6. Approved AMO/licensed Aircraft Personnel with whom aircraft will be maintained for the purpose of this application:**

- a) Name And Address:.....  
.....  
.....
- b) Telephone:.....
- c) Aircraft Maintained To (State Programme):.....
- d) Last Major Check Performed:.....
- e) Type:.....
- f) Date Completed:.....
- g) Aircraft Hours And Cycles Completed:.....

7. Is the aircraft unde going:
- overhaul
  - Repair
  - Modification
  - Scheduled maintenance prior to Namibia Certification

**8. Is the aircraft:**

- (a) a prototype, i.e. an aircraft of new design which has not previously been investigated by the Airworthiness Unit
- (b) a prototype modified, i.e. an aircraft the design of which in part has not previously been investigated by the Airworthiness Unit
- (c) Series aircraft:
  - (i) an aircraft the design of which (including its engines and all equipment) is similar in every respect to the design of one for which a Certificate of Airworthiness has previously been issued?If the aircraft is a series, quote registration marks, if known, of aircraft with which it conforms in every respect.
  - (ii) an aircraft incorporating modifications of airworthiness significance not identical to those on an aircraft for which a Certificate of Airworthiness has previously been issued (quote Modification Nos).....

**9. AIRWORTHINESS CLASSIFICATION**

It is hereby requested that the Certificate of Airworthiness be: ISSUED  VALIDATED  RENEWED  AMENDMENT  in order to permit operation of the aircraft in the following category: -

- a) Public Transport standards certificate of airworthiness
- b) Cargo Transport

- c) Aerial Work
- d) Private
- e) restricted certificate of airworthiness
- f) Others (state).....

**10. AIRFRAME**

- (i) Total Hours (Since New) .....(as at) .....
- (ii) Total Cycles (Since New) .....(as at) .....

**11. POWER PLANT**

**13. Test flight (if applicable) completed on:.....**

Applicant Name..... Date..... Signature.....

**14. A. CERTIFICATION OF AIRWORTHINESS**

I hereby certify that all works listed in the Aircraft Log Book has been done with certified material according to accepted practices, that all Airworthiness Directives (or approved equivalent) and Manufacturer’s Service Bulletins affecting safety have been complied to date,that this application complies with NAMCAR Part 21and that no unapproved modifications have been incorporated and that the aircraft is airworthy.

Name..... Signature..... Licence No..... Date.....

(Chief Inspector or Licensed AME)

**B. FLIGHT**

I hereby certify that I have flown this aircraft and that its, performance, flying qualities, functioning of controls,

powerplants, landing gear etc. are to the standard type and that all performances are in accordance with the approved Flight Manual.

Name..... Signature..... Licence No..... Date.....  
 (Pilot)

**15. THE FOLLOWING DOCUMENTS MUST ACCOMPANY THIS APPLICATION:**

| Item   | At Inspection | Attached | Not Applicable |
|--|---------------|----------|----------------|
| Certificate of Airworthiness (previous and current)      |               |          |                |
| Copy of log book entry                                   |               |          |                |
| Weight & Balance report (if applicable)                  |               |          |                |
| export certificate of airworthiness or equivalent        |               |          |                |
| Modification record                                      |               |          |                |
| Major repair statement                                   |               |          |                |
| Maintenance record                                       |               |          |                |
| Proposed Namibian maintenance program                    |               |          |                |
| Flight manual  |               |          |                |
| Mel  |               |          |                |
| Copy of AOC  |               |          |                |
| Copy of lease agreement                                  |               |          |                |
| Copy of AOC held by lessee                               |               |          |                |
| Radio Fitted (List of Avionics equipment to be attached) |               |          |                |
| Type certificate data sheet                              |               |          |                |

**16. INSPECTION**

**Aircraft will be available for inspection at:**

|                  |  |
|------------------|--|
| <b>Location:</b> |  |
| <b>Date:</b>     |  |

**17. NOTIFICATION OF REGISTRATION**

The aircraft described in paragraph 1 is registered or application has been for the aircraft to be placed on the Namibian Civil Aircraft Registry in the name of:

.....  
 .....  
 .....

**18. DECLARATION**

**I hereby declare that I am the owner  or agent of the registered owner  Of the aircraft described in paragraph 1 and to the best of my knowledge and belief, the particulars contained in this application and all appendices are true and accurate in every respect. I further declare that this application is in compliance with the NAMCARs requirements for the issuance of a Certificate of Airworthiness.**
