NOTIFICATION OF REGISTRATION OF AIRCRAFT AND REQUEST FOR CONTINUING AIRWORTHINESS INFORMATION

Pursuant to standard 4.2.3 a) of Chapter 4 (Continuing airworthiness of aircraft) of ICAO Annex 8 (Airworthiness of Aircraft), Namibia Civil Aviation Authority (NCAA), in discharge of the associated responsibilities as the State of Registry, advises the **(Insert State name)**, as State of Design, the entering of the aircraft listed below (enclosure) on the Namibia Aircraft Register. Accordingly, Namibia requests to be provided on an on-going basis with the corresponding mandatory continuing airworthiness information and notification of the suspension or revocation of a Type Certificate, as the case may be should such condition occurs.

The following is the Aircraft Technical Data available to NCAA:

- (i) Aircraft Type:
- (ii) Aircraft Serial No:
- (iii) Aircraft Reg:
- (iv) Engine Type:
- (v) Propeller:
- (vi) Name and address of Owner:

.....

All enquiries on this matter should please be directed to: The Executive Director, Namibia Civil Aviation Authority as per the address above.
